The kitchen also includes a large patio door, allowing for plenty of natural light.

The bathroom has been completely renovated with high-end materials, including a solid wood vanity and granite countertop, creating a stylish and elegant space.

In the basement, a large family/game room provides the perfect spot to relax on weekends or entertain family and friends.

Several updates have been carried out over the years, including:

- Roof redone in September 2007
- Windows replaced
